All shipments are to be run dedicated unless otherwise specified in writing.

By acceptance of shipment, carrier guarantees that driver has sufficient service hours available to complete delivery on time, without violating statutory rest guidelines as defined by Federal Motor Carrier Safety Regulations 49CFR, Part 35 Hours of Service.

CEI must be notified of any additional accessorial charges or charges can be refused. Lumper Charges must be pre-approved and physical copy of receipt must be sent to CEI within 24 hours or reimbursement may be forfeited. Any missed appointments can result in a potential fee or rate is negotiable.

Any and all breakdowns must be accompanied by receipts of repairs or rate is negotiable.

Carrier certifies that any TRU(Transportation Refrigeration Unit) equipment furnished for any shipments using the California highway system at any time, will be in 100% compliance with the in-use requirements of California's TRU regulations.

Carrier certifies that their Truck / Tractors and Trailers are California Carb Compliant for any shipments using the California highway system at any time and have the required Broadened Pollution Liability Insurance Coverage.

Carrier certifies that they are compliant with the FDA Food Safety Modernization Act.

Carrier certifies they are in Compliance with the State of California Regulations for CTC, TRU, ACF, HPF, and ACF Drayage Regulations.

Seals - Upon load pick up the driver must have the shipper seal the trailer. The driver must verify that the seal number matches what's on the bill of lading. If the shipper does not seal the trailer, driver is responsible to put a seal on the trailer, in the presence of the shipper, and have the shipper date & sign the bill of lading with the seal number. Driver is required to verify that the trailer is sealed and monitors the load while in transit to ensure the seal remains intact. Delivery location needs to Break the Seal Only, not the driver.

Multiple Picks: New seal to be put on after each pick. Multiple Deliveries: New seal to be put on after each delivery.

Breaking of the seal without instruction by CEI will result in a \$500 fine

Policy applies unless stated otherwise in instructions.

Carrier certifies that they will be compliant with the FMCSA ELD Mandate effective December 18,2017

OS & D - overages, shortages, and damages on cargo need to be reported by the driver ASAP to CEI and resolved before the driver departs from the receiver.

Covid 19 - per US Federal, State,City, and CDC guidelines: All drivers are required to wear face masks at shippers and receivers when necessary.

Shipper Pick Up - If there are multiple PO numbers on the Carrier Rate Con, the driver must Contact CEI prior to leaving the Shipper to Verify all PO's are Loaded. Failure to do so may result in Rate Deduction.

All REEFER ORDERS the drivers must make sure the temperature on the bol matches the temperature on given rate confirmation. If these temps do not match the driver must notify CEI immediately prior to leaving the shipper.

Failure to do so may result in a claim.

A TONU will be \$150

A Layover will be \$150

First 2 Hours Free Then Detention is \$35 an hour but not to exceed \$150

POD Is required for any accessorial approval upon completion of order

Please send all PODs to POD@ceitransport.com within 24 hours
